These four have had many hair-raising adventures over the years ... without the hair. They have all decided to buy a hairpiece or have a hair transplant but want to give the hair-stylist a design. That's your task. Draw (and color) a hair style you think would best reflect the personality of these fugitives from a barber shop. BATTLE OF THE SUPER STARS

YOUR HOST:
STAR
HAWK

Over the years, Mighty Marvel has featured many "real" people (if you can consider some of the best penners real) in CAMEO, if not starring, spots in their magnificent magazines. There's not space for all of them so we'll do it again sometime. In the meantime, see how well you can do with this group.

Find: JOHN BELUSHI, STAN LEE, JACK KIRBY, JOHN ROMITA, NEIL ARMSTRONG, HUMPHREY BOGART, ROY THOMAS, JAMES ARNESS, BINGO CROSSBY, BOB HOPE, JACKIE GLEASON, LFRID HITCHCOCK, JOHNNY CARSON, ED MCMAHON, DICK CAVETT, WALTER CRONKITE, URI GELLER, JANE CURTIN and FRED GWYNNE.
Find them horizontal, vertical, diagonal and backwards in a straight line and don't skip any letters.

If you've ever wondered what's in a name, here's your big opportunity to find out. If you've enjoyed The Battle of the Network Stars, you'll love Marvel's Battle of the Superstars.

Many of the Marvel stars have the same first name as many of the stars of movies, television and recordings. Your task, O mighty Marvel talent scout, is to put the right names in the right places.

DOTMAN

MARVEL'S NEWEST
SUPERHERO?

YOU GOTTA
BE KIDDIN'!

YOU WANT AN
ORIGIN, TOO?

Let's see no. Okay. It's like this. This gent worked in a pepper factory and he had dreams of being a might superhero like Hulk. And, too he reads every Marvel comic book and that should be recommendation enough. One day the pepper was hit with Gamma Rays. Coming in contact with the pepper, our hero sneezed and turned into Dotman. To change back all someone has to do is join the dots. You won't buy that? Ok. How about this. One day our hero was walking on Madison Avenue when someone at 575 dropped a box full of the letters "I". The dot on the "I" separated and fell in force on our new hero and he changed to Dotman. Aw write your own origin.

Because he reads every Marvel mag, he knows that many of the baddies, individually, have come close, so, if he were to take bits and pieces of a number of their costumes, that should do the trick. Applaud him now. This may be the last time he ever hears anything. At any rate, tell us who owns the pieces of costume which decorate his soon-to-be-limp frame.

STAN LEE presents
MARVEL'S

MIDDLE-NAME MADNESS

So many people have asked me my middle name (the only one, I have is "The Man"), we thought it would make an excellent puzzle in our brand new FUN AND GAMES MAGAZINE. With haste, because Dreaded Deadline Doom is always in quick pursuit, we rounded up some of the middle names of Bullpen Bravados. Though many of you probably think, because these magnificent Marvel maniacs put the world's greatest superheroes through their paces, their middle names are Rock, or Crash, you got the idea. To make it even a bit more fun, all we've given you is their last names. You provide their first name, cause you must know it, then pick the name from the group scattered all over the page and put it in the space that it fits. And be careful, two of them have the same middle name.

How we saved the universe with our Banana-Talkies and got back to tell about it with our Banana-Compasses.

We were on patrol when the space ship landed. My partner and I split up to get a closer look. But, before I knew it, I was captured by hostile aliens.

"I have just one request before you disintegrate me!" I said.

"Can I finish my lunch?"

I calmly pulled out my Banana-Talkie. It's a real walkie-talkie,

but it looks like a Chiquita® banana. Secretly, I beeped out our coordinates on the hidden Morse Code button.

Meanwhile, my partner used the Banana-Compass to send help in our direction. Thanks to Chiquita bananas (and some quick thinking) the invasion was stopped, and the universe is once again safe from evil.

Banana-Talkies: A pair of solid state, 11" Walkie-Talkies with voice volume control, telescopic antenna, Morse Code chart, secret "beep" button and belt clip. ONLY \$13.95 and 3 stickers from Chiquita bananas. Battery NOT INCLUDED.

Banana-Compass: A 5 1/4" long, plastic banana that holds a liquid filled compass capsule. Inside is a rotating dial that always remains upright so it can be read easily. ONLY \$2.50 and 3 stickers from Chiquita bananas.

How to Order These Banana Premiums.

Please send me the following:

1. _____ Walkie-Talkie Set @ \$13.95
(Quantity) plus 3 stickers from Chiquita bananas for each Walkie-Talkie set ordered.
2. _____ Compasses @ \$2.50 plus 3
